STRONG ROOMY STATEMENT

Wham One armchair,
Wham Two and Wham Three,
a small and large sofa.

A powerful statement in your interior, that is as bold as cozy... Wham, an upholstered furniture series designed by Hermann August Weizenegger is just that! Inspired by the scale and form of Bauhaus architecture, yet softly upholstered on a solid metal frame, Wham offers strong lines and soft surfaces.

The Wham family is available in 5 different standard fabrics (more fabric options on request), the Wham armchair as swivel or fixed base.
